

SP/PAB

23rd November 2011

Dear Parent or Carer,

I have been informed by the NASUWT (National Association of Schoolmasters/Union of Women Teachers), the ATL (Association for Teachers and Lecturers) the NUT (National Union of Teachers) and Unison that they will be taking industrial action in the form of a withdrawal of labour on Wednesday 30th November 2011.

This action is not against the school itself, but is part of national industrial action organised by these trades unions about proposed changes to the pension schemes of their members.

As a result of this action, I have no alternative other than to close the school on this date as my main concern is the health and safety of our students. I trust that by giving you sufficient notice, you will be able to make alternative arrangements for the welfare of your child on this date. Should any late agreement alter these arrangements I will contact you forthwith.

The Governors and myself trust that the issues over which the industrial action has arisen are resolved as soon as possible.

Yours sincerely,

Mr. S. Preston
Headteacher
