

# Subject: GCSE Chemistry

Department: Science

Exam Board: AQA

“The most beautiful thing we can experience is the mysterious. It is the source of all true art and all science. He to whom this emotion is a stranger, who can no longer pause to wonder and stand rapt in awe, is as good as dead: his eyes are closed.” – Albert Einstein

## Access Criteria:

High flying students who find science easy and can produce high quality work at a fast pace. Triple Science students will be selected the Science department, usually by the end of Year 8.

## Course Assessment:

End of year 11 examination papers.

## Subject Topics Covered:

- Atoms
- Structure and Bonding
- The Periodic Table

## Careers that require this qualification:

- Climate Change Analyst
- Geoscientist
- Technician
- Doctor
- Health Care Professional

## Courses that you can follow after school if you opt for this subject:

A level Chemistry  
BTEC sciences

## The key contact for Science is:

Mr Roberts
