March 2019

Dear Parent or Guardian

**Aspens – New Catering Company from 1 April 2019**

We are delighted to inform you that from 1 April 2019 there will be a new catering company in our Bistro – Aspens. Aspens were selected from several catering companies, following tasting sessions by staff, governors and students so we are confident that they will provide an exciting and varied menu for our students.

Please read the attached information from Aspens, including The Aspens App and a link to the current menu cycle and the services they provide.

Yours sincerely

**Mrs H Phillips**
